Registering Legal Instruments

ABOUT THE SERVICES: Similar to court decrees/order, legal instruments are also registerable in the Civil Registrar where the birth certificate of the child is registered.

The following are considered legal instruments:

- The affidavit of Acknowledgement/Admission of paternity – a public document executed by the biological father establishing paternal relationship with the child.
- Legitimation – is a remedy by means of which those in fact were not born in wedlock and should, therefore, be considered illegitimate, are by fiction, considered legitimate, it being supposed that they were born when their parents were already validly married.
- Affidavit to Use Surname of the Father – under RA 9255, it is a public instrument executed by the father giving the child the privilege to use his surname.

CLIENT GROUPS:	Parents of illegitimate children.
-----------------------	-----------------------------------
