MUNICIPALITY OF IROSIN

QUALITY POLICY

WE, at the **Municipality of Irosin**, commit to improve the quality of life and ensure the sustainable development of every Irosanon.

WE endeavor to be a livable, resilient, ecologically-balanced and progressive center of agro-industry, eco-tourism, commerce and trade in the province through comprehensive and integrated delivery of basic services and infrastructures.

In doing so, **WE** adhere to nurturing good governance by:
addressing the needs and expectations of stakeholders;
satisfying the requirements related to our activities, operations and processes;
achieving our plans, goals and objectives; and
continual improvement of our processes and the Quality Management System.

PARA SA IROSIN, PARA SA IROSONON!
